Hello, I am writing on behalf of the Society of Arts and Crafts (SAC's) of Central Alabama. The SAC's Gallery has openings for exhibitors in several categories of Fine Art and Crafts.

In case you are unfamiliar with SAC's or the Gallery, I would like to provide a little background information. We are a non-profit organization dedicated to furthering Regional Art through education and community outreach. If you are an Artist or Craftsman, we exist for you. SAC's was started 32 years ago by a group of regional artists and craftsmen. Five years later they were able to open SAC's Gallery. The goals of the Society were, and still are, to provide a forum for regional artisans to showcase their original work and provide information and education in the arts to the public. The Gallery provides the most visible means of accomplishing those goals. It is operated as a not for profit business allowing exhibitors to offer work to the public with moderate cost to the exhibitors. There are on average 25 exhibitors showing at the gallery at any given time. Each month we feature an artist and craftsman at the gallery and invite the public to meet these artisans.

We would like to extend this invitation to you to apply as an exhibitor. For more details, or to apply, contact the Gallery at (334) 265-9931, or stop by the Gallery with three representative works that you can leave to be juried.

We look forward to talking with you,

Ladonna Idell
